A National Day of Action

Rally for Immigrant Rights!

Recognizing that the USA is a nation of immigrants, join the **A-10 NYC Mobilization Network for Immigrant Rights*** in a massive rally to:

- Stop the anti-immigrant House resolution 4437
- Stop all attacks against immigrants
- Stop criminalization of immigrant communities

We demand comprehensive immigration reform, including:

- A path to citizenship, not a temporary guest worker program
- Family reunification measures
- Worker protections
- Full rights for all immigrants!
