

THIS IS A FAST: FOR FAIRNESS, OPPORTUNITY AND JUSTICE

This week, I'll take nothing but water. No food, no coffee, no beer, nothing. I don't want anything more than one thing:
JUSTICE

From Monday September 20, through Saturday September 25 2004, I'll be maintaining a PUBLIC WITNESS in solidarity with the Los Angeles DREAM Team, who've been fasting since September 13 at USC in a nationwide call to action to support passage of the DREAM Act in Congress.

Please read the other side of this flyer for more information about the DREAM Act and call Senator Bill Frist to urge him to get this legislation through the Senate NOW.

I'm proud to represent the Immigrant Solidarity Network in this action. Please see my statement "Why Do I Fast" at the website below for more about why I am here this week.

I believe that together, we can and must make a better world. It is through the small acts of millions that history is made, and that history is ours to make together. Love and Justice bring us together. Fear and hatred will destroy us. As Americans, we have a responsibility and privilege: to make the American Dream come true... not just for the few but for the many... a dream of equality, fairness and opportunity that will never die.
